

Blossom Sensory Classes @ Oryx International School

BLOSSOM
TODDLER SENSORY CLASSES

WHY IS SENSORY PLAY IMPORTANT?

Sensory play ignites creativity, stimulates cognitive development, and hones fine motor skills, fostering exploration and understanding in children.

Benefits:

- ★ Supports brain development
- ★ Promotes emotional self regulation (calming)
- ★ Promotes language and communication skills
- ★ Promotes creative thinking & problem solving

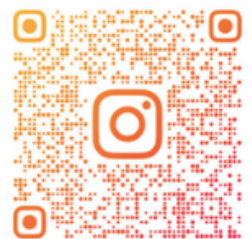

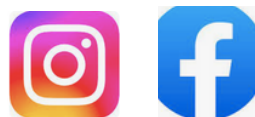

Classes will include a range of activities to promote child development.

From language development, enhancing the vestibular system, promoting fine and gross motor skills to problem solving.

All through the use of a range of equipment, such as: balance boards, drums and weekly varying explorative play activities.

**6 weeks starting
Monday 29th April until
Monday 3rd June.
Total cost 390QR**
