It is compulsory to choose a minimum of one science subject (Subjects can change each year)

*English will be taught as a single subject. Some students will be entered for two GCSEs, English Language and English Literature. Some students will be entered for English Language only. This will be decided in Year 11.

*Double Science is initially reserved for students obliged to follow mandatory MOE&HE Arabic and Islamic Studies. Double Science is an award of two grades (i.e. 6,6). Students who take Double Science follow a combined course of study involving Chemistry, Physics and Biology and can proceed to individual sciences at A level in due course.

*Students who choose Double Science should not choose Chemistry, Physics or Biology as a single subject in addition. Students who choose Chemistry and/or Physics and/or Biology should not choose Double Science. For the time being Double Science is a proposed course and will only be confirmed once uptake is known.

*Arabic students must choose to study either Ministry Arabic 1 or GCSE Arabic (First Language). Arabic students cannot enter for GCSE Arabic (Second Language) whilst following the MOE&HE curriculum.

NOTE

*Islamic Studies 2 is the mandatory MOE&HE approved curriculum (in English) and we await confirmation from the MOE&HE whether this will be a mandatory subject for all non Arab Muslims.
