

BLOSSOM  
TODDLER SENSORY CLASS

# Blossom Sensory Classes @ Oryx International School

Sensory play ignites creativity, stimulates cognitive development, and hones fine motor skills, fostering exploration and understanding in children.

Classes will include a range of activities to promote child development.

From language development, enhancing the vestibular system, promoting fine and gross motor skills to problem solving.

All through the use of a range of equipment, such as: balance boards, drums and weekly varying sensory play activities.

## Benefits:

- Supports brain development
- Promotes emotional self regulation (calming)
- Promotes language and communication skills
- Promotes creative thinking & problem solving

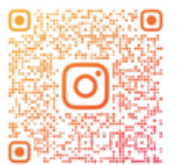

**8 weeks starting  
Tuesday 1st October until  
Tuesday 26th November.**

**Total cost 520QR**
