## A Guide to Our School Fees

### **Admissions Application Fee**

There is a non-refundable application fee of **QAR 450** for each student wishing to make a formal application to our school. This fee should be paid prior to any Soft or Formal Assessment taking place. This fee is for all students from FS1 to Year 13. Soft Assessments take place for students from FS1 to Year 2 and we use CAT4 Assessments for students applying to Year 3 and above.

### **Registration Fee**

Upon successful completion of the Admissions Process and once in receipt of an Offer Letter from the school, parents are requested to sign their Enrolment Agreement and pay the **non-refundable registration fee of QAR 3,190**. This is a one-off payment to block your child's school place once it has been approved and your child is first enrolled.

### **Seat Reservation Fee**

Each year, parents are asked to confirm their intention to re-enrol their child(ren) for the forthcoming academic year. As part of this process, families will complete an online form and be requested to pay an annual seat reservation fee of **QAR 2,000**, which is deducted from the first term's tuition fees of the forthcoming academic year.

## Tuition Fees

**Tuition Fees include:** Tuition, all academic textbooks, student journals, exercise books and some stationery.

School fees are reviewed annually and any increases are subject to approval from the Ministry of Education and Higher Education in Qatar. You can see our official Fee Sheet stamped by the MO&HE here:

<https://oryxschool.qa/admissions/school-fees-and-other-costs>

- a.) Tuition fees are invoiced termly, and must be paid no later than the first day of each school term.
- b.) No reduction in fees is made for temporary absence or illness, or early withdrawal.
- c.) Parents are responsible for paying the fees directly to the school. Qatar Airways staff, who receive the education allowance, can submit the application, registration and tuition fees for reimbursement via the GEMS system.
- d.) Where the school fees are more than the Education Allowance, the parent (employee) is responsible for paying the difference. School Discounts and Education Allowance details can be seen on website  
<https://oryxschool.qa/admissions/parent-discount>
- e.) When a student joins the school during the first half of a term the fees for that term are payable in full. When the student joins in the second half of the term, a 50% fee is charged for that period no matter which week the student joins. Full

- and half term dates will be published before the end of the academic school year.
- f.) Should a child leave the school within the first-30 day period of the start of term, s/he will only be charged for the number of days in which s/he has attended
  - g.) Each year, parents are asked to confirm their intention to re-enrol their child(ren) for the forthcoming academic year. As part of this process, families will complete an online form and be requested to pay before 26<sup>th</sup> February an annual **Seat Reservation Fee** of **QAR 2,000**, which is credited to the first term's invoice of the forthcoming academic year (August/September). Parents of pupils intending to leave the school in June/July must send in written confirmation of their departure before 26<sup>th</sup> February. NB Places may not be guaranteed without this payment.
  - h.) In general, refund of the annual Seat Reservation Fee will only be made if:
    - a. The family is leaving the country due to the termination of a work contract before the beginning of the academic year (cancellation of residence for the student and the parent). This includes termination (i.e. dismissal), natural end of a contract and non-renewal, and voluntary termination by the employee.
    - b. The school formally asks the student to leave.
    - c. The student concerned is entering an optional phase of education (i.e. Year 12 and 13) and decides to continue studies elsewhere.
    - d. If the parents provide Oryx International School with a vacancy letter from another school before the end of the current academic year in course (i.e. the last day of Term 3).
  - i.) Fees are due once the student commences school despite any student partial or non-attendance regardless of the reason for partial or non-attendance. If tuition fees have not been paid, they shall remain due and payable.
  - j.) The parent/guardian shall take full responsibility to ensure that payment is made in full of the School Fees and any additional charges. Failure to settle these fees, could result at the end of the academic year the student being blocked on the MoEHE National Student Information System (NSIS) This could result in the student's Report Cards being inaccessible and would provoke an inability for the student to transfer or register in another school.
  - k.) In addition to any optional charges that may occur during the academic year, such as school trip payments or Bus Charges that have been approved by the MoEHE, parents should be aware that the school reserves the right to withhold the activity or service for any student where parents/guardians fail to pay in full the corresponding sum
  - l.) All charges and tuition fees are subject to change annually. Parents/guardians will be advised in writing of any changes.
  - m.) Tuition Fee discounts are conditional upon payment by the due date as stated on the invoice. If the invoice remains unpaid after the due date then any discount for future academic years may be cancelled and the parent/guardian will be liable to pay full tuition rates. Should this be the case, the school will formally write to the parent/guardian to make them aware of this in advance of the forthcoming academic year commencing.

- n.) Families are referred to the Declaration they signed on the school application form stating that they would abide by the conditions of the School, including the payment of fees and charges.
- o.) Separate charges are stated for external examinations, A1 & A2 Levels and I.G.C.S.E. on the school Fee Sheet. The corresponding amounts are separate to academic fees.
- p.) Should parents have any doubts or questions pertaining to the MoEHE approved Fee Structure for the corresponding academic year, they are encouraged to visit the school website for full details and breakdown: [Tuition Fees | Oryx International School, Doha](#)
